## **NOTICE TO BIDDERS**

### **1. VERY IMPORTANT NOTICE ON DISQUALIFICATIONS:**

A bid not complying with the peremptory requirements stated hereunder will be regarded as not being an "Acceptable bid", and as such will be rejected.

"Acceptable bid" means any bid which, in all respects, complies with the conditions of bid and specifications as set out in the bid documents.

To ensure that your bid is not exposed to invalidation, documents are to be completed in accordance with the conditions and bid rules contained in the bid documents. The lowest or any bid will not necessarily be accepted, and ERWAT reserves the right not to consider any bid not or a bid not comprehensively completed as well as the right to accept a bid in whole or part. ERWAT reserves the right to appoint more than one bid for this contract.

### **2. A BID WILL BE REJECTED:**

- If bidders are not compliant with all applicable legislative requirements, as per CSD. National Treasury in partnership with the Provincial Treasury have developed municipalities and municipal entities with a Central Supplier Database (CSD) for the registration of prospective suppliers in line with Section 14(1) (b) of the Municipal Supply Chain Management Regulations (MSCMR). (Tax compliance will be dealt with in terms of MFMA Circular No. 90)
- Non-compliance with the Value Added Tax Act, 1991; i.e. In terms of this Act, it is mandatory for any business to register for VAT if the income earned in any consecutive twelve (12) month period exceeds or is likely to exceed R 1 million. NB: Bidder/s failing to comply with this provision of the Value Added Tax Act, 1991 WILL NOT BE CONSIDERED, therefore rejected.
- Non-compliance with the Municipal Supply Chain Management Regulations, 2005; i.e. All sections affecting the evaluation of the bid must be indicated on the bid document and must be submitted and completed in full. All bidder's information must be accurate and correct.
- In the event of a failure to complete and sign in full the pricing schedule as required (unless indicated otherwise).
- In the event of there being scratching out, writing over or painting out rates or information, affecting the evaluation of the bid, without the authorised person initialling next to the amended rates or information. However, in cases where the total amount (aggregated) has not been affected, the bid will still be acceptable.
- In the event of the use of correction fluid (e.g., tippex), any erasable ink, or any erasable writing instrument (e.g., pencil). Bid documents to be completed in ink.
- If the Bid has not been properly signed by a person having the authority to do so. (Refer to Declaration).
- Where the recommended bidder is not tax compliant, the bidder should be notified of their non-compliant status and the bidder will be requested to submit to the municipal entity, within 7 working days. The bidder will be rejected if they fail to provide proof of tax compliance status within the 7 working days after recommendation.
- If the bidder attempts to influence or has in fact influenced the evaluation and/or awarding of the contract.
- If the bid has either been submitted in the wrong bid box or after the relevant closing date and time.
- If any municipal rates and taxes or municipal service charges owed by the bidder or any of its directors/members to the municipality or municipal entity, or to any other municipality or municipal

entity, are in arrears for more than three months (unless if the bidder has attached proof of the payment arrangement of the arrears to the bid document as at the closing date of the submission of bids).

- If any bidder who during the last five years has failed to perform satisfactorily on a previous contract with the municipality, municipal entity or any other organ of state after written notice was given to that bidder that performance was unsatisfactory.
- The accounting officer must ensure that irrespective of the procurement process followed, no award may be given to a person –
  - who is in the service of the state, or;
  - if that person is not a natural person, of which any director, manager, shareholder or stakeholder, is a person in the service of the state; or; who is an advisor or consultant contracted with the municipality in respect of contract that would cause a conflict of interest.
- If the bidder is not registered in the required CIDB contractor grading designation (category) or higher, if required in this bid documentation. (only applicable to construction projects)
- If the bidder or any of its directors is listed on the Register of Bid Defaulters in terms of the Prevention and Combating of Corrupt Activities Act of 2004 as a person prohibited from doing business with the public sector.
- If more than one (1) company quotes and the Director/s are the same Person/s and the companies fail to disclose this in the MBD4; the bids will be rejected as a result of Anti-Competitive Behaviour.
- **NO BIDS WILL BE CONSIDERED FROM PERSONS IN THE SERVICE OF THE STATE (as defined in Regulation 44 of the Local Government: Municipal Supply Chain Management Regulations).**
- If the bidder has failed to submit ALL required documents as specified on the bid document.
- If the following have not been fully completed and signed:
  - MBD 1 - General Declaration
  - MBD 3.2 – Pricing schedule (non-firm prices)
  - MBD 4 - Declaration of Interest
  - MBD 5 – Declaration for submission of Annual financial statements for purchases above R10 million
  - MBD 6.1 – Preference points claim form in terms of the Preferential Procurement Regulations 2022
  - MBD 7.2 – Contract Form: Procurement of Services
  - MBD 8 - Declaration of bidder's past supply chain management practices
  - MBD 9 - Certificate of Independent Bid Determination
- If any pages have been removed from the bid document, and have therefore not been submitted, or a copy of the original bid document has been submitted (all signatures to be original on each page).
- If the bidder fails to achieve the minimum score in terms of the functionality evaluation.

### **3. EVALUATION PROCESS AND CRITERIA**

All bids will be evaluated in the following three phases:

#### ***3.1 Phase I: Initial screening process***

In terms of National Treasury Instruction No. 4A of 2016/2017 regarding the National Central Supplier Database (CSD), all bidders must register on the CSD to provide the following information to be verified through the CSD:

- a) Business registration, including details of directorship and membership;
- b) Bank Account holder information;
- c) In the service of the State status;
- d) Identity number;
- e) Tender default and restriction status;
- f) Any additional and supplementary verification information communicated by National Treasury.
- g) An administrative evaluation will be carried out on all the bids received based on the under mentioned documentation:
- h) Proof of company Central Supplier Database Registration (CSD).

The following information will be verified with the returnable schedule:

- a. Submission of a valid SARS pin to validate Tax compliance status;
- b. Valid rates and taxes account not older than 3 months and not in arrears for more than 90 days. The rates and taxes accounts of a bidder as an entity must be in the name of the company. In the event that the bidding entity is renting the premises, a signed valid lease agreement must be submitted. The rates and taxes of a sole proprietor must be in the name of the individual bidder.
- c. Fully completed and signed MBD forms as indicated above.
- d. In case of Joint Venture, Consortium, Trust, or Partnership a Valid Tax Clearance Certificate and/or SARS issued pin code (which will be verified) for both companies must be submitted.
- e. In case of Joint Venture, Consortium, Trust, or Partnership, a signed teaming agreement must be submitted.

#### **FAILURE TO ADHERE TO THE CONDITION WILL LEAD TO THE BID BEING INVALIDATED.**

#### **3.2 Phase II: Functionality evaluation as per attached Terms of Reference:**

- a) Bids will be evaluated strictly according to the bid evaluation criteria stipulated in the terms of reference.
- b) Bidders must, as part of their bid documents, submit supportive documentation for all technical requirements as indicated hereunder. The panel responsible for scoring the respective bids will evaluate and score all bids based on their submissions and the information provided.
- c) Bidders will not rate themselves but need to ensure that all information is supplied as required. The Bid Evaluation Committee (BEC) will evaluate and score all responsive bids and will verify all documents submitted by the bidders.
- d) The panel members will individually evaluate the responses received against the following criteria as set out below:
  - (i) Evaluation Criteria as stipulated in the tender document
- e) Any proposal not meeting a minimum score on functionality proposal will be disqualified and the financial proposal will not be considered.

#### **3.3 Phase III: Price/Financial stage and Specific goals:**

- a) Price/ Financial proposals (90/80 points will be applicable) must be submitted in South African Rand.
- b) Evidence required to claim for specific goals (20/10 points will be applicable) will include, but not limited to CK document, Full CSD report, ID documents of company owners, MKVA force number, Municipal account/ lease agreement and Proof of disability issued by medical doctor.
- c) ERWAT reserves the right to verify the documents submitted as evidence.
- d) ERWAT reserves the right to negotiate rates submitted by bidders.

#### **4. LEGISLATIVE AND REGULATORY FRAMEWORK**

This bid and all contracts emanating there from will be subject to the General Conditions of Contract issued in accordance with of the Treasury Regulations 16A published in terms of the Municipal Finance Management Act (ACT 56 OF 2003).

The Special Conditions of Contract are supplementary to that of the General Conditions of Contract. In the event of any contradiction between the GCC or any other applicable contractual agreement, the Municipal Financial Management Act and its applicable regulations will take precedence.

## **5. JOINT VENTURES, TRUSTS OR CONSORTIUM**

A trust, consortium or joint venture, will be able to claim for points for their specific goals provided that the entity submits a valid signed agreement.

Bidders must submit concrete proof of the existence of joint ventures and/or consortium arrangements. National Treasury will accept signed agreements as acceptable proof of the existence of a joint venture and/or consortium arrangement.

The joint venture and/or consortium agreements must clearly set out the roles and responsibilities of the Lead Partner and the joint venture and/or consortium party. The agreement must also clearly identify the Lead Partner, with the power of attorney to bind the other party/parties in respect of matters pertaining to the joint venture and/or consortium arrangement.

## **6. TAX COMPLIANCE STATUS**

The designated ERWAT official(s) will verify the tax compliance status prior to the finalisation of the award of the bid or price quotation.

Where the recommended bidder is not tax compliant, the bidder will be notified of their non-compliant status and the bidder will be requested to submit to the municipal entity, within 7 working days, written proof from SARS of their tax compliance status or proof from SARS that they have made an arrangement to meet their outstanding tax obligations.

The proof of tax compliance status submitted by the bidder to the municipal entity will be verified via the CSD or e-Filing. The accounting officer will reject a bid submitted by the bidder if such a bidder fails to provide proof of tax compliance status within the timeframe stated above.

Where a supplier does not submit a tax compliance status PIN but provides a CSD number, ERWAT will utilise the CSD number via its website [www.csd.gov.za](http://www.csd.gov.za) to access the supplier records and verify tax compliance status. A printed screen view at the time of verification will be attached to the suppliers' records for audit purposes.

Where goods and services are procured from foreign suppliers with tax obligations in South Africa, proof of tax compliance status will be obtained from the supplier.

Foreign suppliers with neither South African tax obligations nor history of doing business in South Africa must complete a pre-award questionnaire on the MBD 1 for their tax obligation categorisation. Where a recommendation for award of a bid has been made to a bidder who is a foreign supplier and who completed the pre-award questionnaire on the MBD 1, ERWAT will submit a copy of the completed MBD 1 received from the bidder to SARS on the following email address:

[GovernmentInstitute@sars.gov.za](mailto:GovernmentInstitute@sars.gov.za).

SARS will issue a letter to the procuring entity confirming whether or not the foreign supplier has tax obligations in South Africa.

Where goods and services are procured from foreign suppliers with no tax obligation in South Africa, there is no need to request proof of tax compliance status.

Where goods and services are imported, all custom related taxes shall be applied as prescribed by SARS.

## **7. VALUE ADDED TAX**

All bid prices must be inclusive of 15% Value-Added Tax where applicable.

## **8. CLIENT BASE**

ERWAT reserves the right to contact references during the evaluation and adjudication process to obtain information. In the event that a bidder is found to have submitted falsified documents during the bid evaluation/award phase the bidder will be disqualified and will not be considered for any further tenders submitted.

## **9. LEGAL IMPLICATIONS**

Successful service providers will enter into a service level agreement with ERWAT. In the event that the provisions contradict each other between the tender document and service level agreement, the tender document will take precedence.

## **10. COMMUNICATION**

ERWAT may communicate with bidders for, among others, where bid clarity is sought, to obtain information or to extend the validity period. Any communication either by facsimile, letter or electronic mail or any other form of correspondence to any ERWAT official, department or representative of a testing institution or a person acting in an advisory capacity for ERWAT in respect of this bid, between the closing date and the award of the bid by the bidder is strictly prohibited.

## **11. ATTENDANCE OF ERWAT BRIEFING SESSIONS**

Bidders must take note of the provisions for site/briefing sessions as advertised in the media, ERWAT website and or on the e-tender portal.

In the event that a compulsory briefing session will be conducted, bidders must attend the session either on site or via zoom platform as indicated in the bid document and advertisement. Bidders will be given a link on the advert and tender document to register prior to the briefing session. On the day of the briefing session, bidders must log onto the link to attend. The zoom platform keeps record of bidders registered and in attendance.

Documents will only be accepted from bidders whose names appear on the attendance register. Failure to attend the compulsory briefing sessions whose names do not appear on the register, will render the bidder's submission invalid and will not be considered for evaluation.

**Kindly note that the company representative that attends this session will be accepted as a person with the relevant technical expertise applicable to this bid.**

Bidders are encouraged to collect/download bidding documents before the briefing session to allow them sufficient time to peruse the scope so that any queries can be dealt with at the briefing session. Bidders will be allowed 10 days from the date of the compulsory briefing session to direct further queries to the SCM department per e-mail. An addendum will be sent to the attending bidders with clarity on questions raised during these 10 days. A copy of the minutes and attendance register will be attached thereto for ease reference.

## **12. LATE BIDS**

Bids received at the address indicated in the bid documents, after the closing date and time, will not be accepted for consideration and where applicable, be returned unopened to the bidder.

## **13. COUNTER CONDITIONS**

Bidders' attention is drawn to the fact that amendments to any of the Special Conditions by bidders will result in such bids being disqualified.

#### **14. PROHIBITION OF RESTRICTIVE PRACTICES**

- a) In terms of section 4(1) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder(s) is/ are or a contractor(s) was/were involved in:
- directly or indirectly fixing a purchase or selling price or any other trading condition;
  - dividing markets by allocating customers, suppliers, territories or specific types of goods or services; or
  - collusive bidding.
- b) If a bidder(s) or contractor(s), in the judgment of the purchaser, has/have engaged in any of the restrictive practices referred to above, the purchaser may, without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered or terminate the contract in whole or in part and refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in the Competition Act No. 89 of 1998.

#### **15. FRONTING**

ERWAT supports the spirit of broad based black economic empowerment and recognizes that real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. Against this background ERWAT condemns any form of fronting.

ERWAT, in ensuring that bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in bid documents. Should any of the fronting indicators as contained in the Guidelines on Complex Structures and Transactions and Fronting issued by the Department of Trade and Industry, established during such enquiry/investigation, the onus will be on the bidder contractor to prove that fronting does not exist. Failure to do so within a period of 14 days from date of notification may invalidate the bid/contract and may also result in the restriction of the bidder/contractor to conduct business with the public sector for a period not exceeding ten years, in addition to any other remedies the National Treasury may have against the bidder/contractor concerned.

#### **16. PRESENTATION, PLANT, EQUIPMENT, SITE OR WORKSHOP INSPECTIONS**

ERWAT may require presentations/interviews from short-listed bidders as part of the bid process. ERWAT reserves the right to inspect the bidder's premises, workshop or plant and equipment during the bid evaluation phase at a predetermined date and time.

#### **17. ERWAT GENERAL NOTES:**

**ERWAT reserves the right to award the bid to one or more than one bidder.**

- The number of bidders that will be appointed and the allocation of activities or items per bidder will be at ERWAT's discretion (where applicable).

Appointed bidders and their personnel will be required to but not limited to:

- Attend site induction training before any work can be undertaken.
- Request and receive all the relevant work permits/access control and authorizations have to be obtained before any work can be undertaken after approval of the Safety and Health Plan.
- The relevant requirement with regards to the Occupational Health and safety act has to be complied with, with particular reference to the safety file in accordance with the relevant commodity and scope

of work items covered by this document taking into consideration that the most current regulation will always take precedence.

- Submit proof that all the required equipment, tools, consumables, etc. required to perform the work as per the Contract shall be provided by the Contractor.
- ERWAT reserves the right to hold the Contractor responsible for any equipment /infrastructure belonging to ERWAT that may be damaged due to Contractor's negligence or poor workmanship.

## **18. PENALTIES – DELIVERY**

The Contractor will be penalised in terms of Clause 22 of the National Treasury General Conditions of Contract attached hereto in Section 3.

## **19. CONTRACT DOCUMENT**

The contract document to be used for this tender will be the ERWAT standard SLA (Service Level Agreement) which will be the binding contract between ERWAT and the successful bidder. Reference will be made to the successful bidder's tender document.

## **20. PAYMENTS**

- (a) All payments will be discussed and agreed upon on the service level agreement (SLA).
- (b) Standard payment terms are 30 Days from receipt of valid invoice/tax invoice and statement.

ERWAT will not accept any responsibility for the payment of any invoices submitted by a successful bidder(s) if the relevant invoice does not reflect an official ERWAT order number.

## **21. DISCLAIMER – WITHOUT PREJUDICE**

While every effort is made to ensure that specifications are drafted in an unbiased manner to allow all potential suppliers to offer their goods or services as set in Regulation 27 of the MFMA Act - SCM Regulations, ERWAT assumes no liability or responsibility for the completeness, accuracy or usefulness of any of the information.

However, in the event that reference is made (intentional or non-intentional) to a particular trade mark, name, patent, design, type, specific origin or producer, ERWAT's intent is of such that there is no other sufficiently precise or intelligible way of describing the characteristics of the works/goods/services required, in which case the bidder must interpret such reference as indicative only and is thus required to offer such and or an equivalent.

Any reference to any of the above potential trade barriers must be seen to include the word "equivalent".

Bidders may submit alternative offers subject to such meeting all the minimum standards, specifications, technical data and or legislative provisions applicable to such.

ERWAT does however reserve the right to scrutinise any alternative offers but is under no obligation to accept or award on any alternative offer submitted.

## **22. CONFIDENTIALITY**

Over and above the provisions of the general conditions the following will apply. In the process of representing the ERWAT in any matter the Bidder will have access to sensitive and confidential information. All information accessed, obtained or collected by Bidder and/or its employees must at all times be kept confidential and not be disclosed to any other person without the prior and written authorisation of the ERWAT.

In addition, information may not be used for personal gain by the Bidder or the Bidder's business, any employee, sub-contractor or any agent of the Bidder or any other person, body or organisation, or family receiving the information or data through the Bidder, or any of their employees or agents.

Failure to observe these conditions will constitute a breach of contract, which could result in termination of this contract

## **23. PROMOTION OF ACCESS TO INFORMATION ACT, ACT 2 OF 2000**

Bidder will be required to fully comply with the requirements of the Access to Information Act, Act 2 of 2000.

In terms of the Promotion of Access to Information Act, Act 2 of 2000, ERWAT is obliged and compelled to provide certain information to the general public.

The Bidder as part of his/her function in collecting data on behalf of ERWAT will be required to comply with the provisions of the Promotion of Access to Information Act, Act 2 of 2000.

The extent where to a bidder will be obliged to supply or refuse the supply of information in terms of the Act will be determined in consultation with ERWAT.

## **24. EXTRACTION OF AND DESTROYING OF DATA**

Bidders are required to submit to ERWAT all data in a readable, accessible format at the end of their contract.

Bidders will be required to keep records of such data for a minimum period of 6 months where after such must be destroyed and proof thereof submitted to ERWAT.

- Check the water level before starting the engine
- Ensure that it is safe to start the generator
- Start and run with no load for 10 minutes
- Check for any abnormal noise and vibrations
- Check oil pressure and record
- Check engine temperature and record
- Check frequency (Hertz) and record
- Check engine RPM and record
- Check single phase voltage and record
- Check three phase voltage and record
- Switch off engine and check for oil / water leaks
- After completion of work ensure that the generator is in "AUTO MODE"

#### i) Perform On Load Test

- Check the oil level before starting the engine
- Check the water level before starting the engine
- Ensure that it is safe to start the generator
- Switch the Mains power switchgear to the "OFF" position
- Did the generators start automatically
- Did the generator take the load
- Run the generator for 30 minutes
- Check for any abnormal noise and vibrations
- Check engine temperature and record
- Check frequency (Hertz) and record
- Check engine RPM and record
- Check amperage and record
- Check single phase voltage and record
- Check three phase voltage and record
- Switch the Mains power switchgear to the "ON" position off engine
- Did the generator release the load and set into "cool down" mode
- Check for leaks on all filters, pipes, joint, radiator and batteries
- Clean equipment surroundings and plant room
- After completion of work ensure that the generator is in "AUTO MODE"

### 3.3. Diesel engine overhaul

The minimum requirements for a diesel engine overhaul will include the following:

- All labour, consumable and related cost requirements.
- All removal, rigging, transportation from and to site and related costs.
- The overhaul shall be in accordance with the specifications of the original equipment.
- Manufacturer (OEM).
- Proper disassembly, inspection, testing, assembly, and operation of these engines and other driven equipment shall conform to procedures described in Engine Maintenance Manual, Maintenance Instructions (MI), and Pointers from EMD for the correct engine, model, and type.

- f) Remove exhaust stack manifolds and replace exhaust manifold gaskets.
- g) Inspect manifolds and advise of cracks, etc to determine disposition of the manifolds; inspect top deck exhaust manifold bolt holes to allow for proper torquing of stack manifolds - repair holes as required with Key locking thread repair inserts.
- h) Thoroughly clean the air boxes, oil pan, crankcase and remove dirt, debris, and chips.
- i) Inspect the engine for structural cracks and advise of inspection results to determine disposition of material.
- j) Replace engine air filters.
- k) Replace all fuel filters.
- l) Complete cylinder head overhaul.
- m) New sleeves, rings, big ends, small ends and main bearings.
- n) Recondition injectors and fuel pump.
- o) Replace water pump.
- p) Cleaning pressure testing and repairs of cooler / Radiator.
- q) Replace all hoses and thermostats on the radiator/cooling system.
- r) Cleaning pressure testing and repairs of oil cooler.
- s) Replace all drive belts.
- t) Replace oil filters, air filters and related equipment.
- u) Replacement of oil.
- v) Replacement of coolant.
- w) Full load test

### **3.4. Power alternator (generator) bearing replacement**

The minimum requirements for a Power Alternator bearing replacement will include the following:

- a) All labour, consumable and related cost requirements.
- b) Removal, installation, rigging, transportation from and to site and related costs.
- c) Alternator shaft dimensions and journal sizes have to be checked using a micrometre.
- d) Rotor has to be checked centre to centre using a clock gauge, or laser alignment tool.
- e) Terminal boxes have to be inspected and must comply in accordance with the required IP rating.
- f) Alternators have to be spray painted to 30 microns, SABS approved Enamel paint according to ERWAT colour code.

### **3.5. Power alternator (generator) rewinding and testing**

The minimum requirements for a Power Alternator will include the following:

- a) All labour, consumable and related cost requirements.
- b) Removal, installation, rigging, transportation from and to site and related costs.
- c) The alternator will be repaired to a condition where performance is similar to the original specification.
- d) Alternator bearings will be replaced with every repair.
- e) Alternator shaft dimensions and journal sizes have to be checked using a micrometre.
- f) Rotor has to be checked centre to centre using a clock gauge.
- g) Terminal boxes have to be inspected and must comply in accordance with the required IP rating.
- h) Alternators have to be spray painted to 30 microns, SABS approved enamel paint according to ERWAT colour code.
- i) All terminals and wires have to be marked /labelled U1, V1, W1 and U2, V2, W2.
- j) Test report attached including failure analysis is required for every repair.
- k) Full record keeping of equipment details, specification, repair details and related information, to be held for the period of the contract.
- l) All information related to this contract is the sole property of ERWAT and must be handed over to ERWAT in a readable and accessible format at the end of the contract.

### **3.6. Testing and Inspection**

The following tests are to be carried out:

- a) At the supplier's premises, before the complete set of the engines or alternators can be delivered to site, ERWAT Representatives must be present during the test to satisfy them that the complete set of the equipment comply with the specification and delivers the specified output. ERWAT must be timeously advised of the date for the test.
- b) The test shall include a simulated test run at the supplier's premises to establish the mechanical integrity of the assembled equipment, performance tests to demonstrate efficiency, insulation test, pressure tests and rotation direction check.
- c) Test report/certificate of the tests as specified is to be submitted to ERWAT together with the invoice and delivery note on every completed work.
- d) Visual inspections shall also form part of this contract; ERWAT Representatives must also be part of this process to witness and signed off the activity pre-assembly and/or post assembly to verify the quality of material used and the required dimensions.

### **3.7. HOURS**

- Working (office Hours): Monday to Friday, between 07:30 to 16:00.
- After hours: Monday to Friday between 16:01 to 07:29 and Weekends and public holidays.

### **3.8. RESPONSE TIME**

Due to the nature of service required it is crucial that bidders adhere to the response time that will be finalized at the time of signing the SLA and will be monitored as such.

### 3.9. List of the generators

### 3.10. HOURS

- a. Normal hours (office Hours): Monday to Friday, between 07:30 to 16:00.
- b. Overtime hours: Monday to Friday between 16:01 to 07:29 and Weekends and public holidays.

### 3.11. RESPONSE TIME

Due to the nature of service required it is crucial that bidders adhere to the response time that will be finalized at the time of signing the service level agreement (SLA) and will be monitored as such.

### 3.12. General requirements

- a. The general requirements is complementary to the contractual requirements as explanatory notes and all other items will be part of the service level agreement.
- b. Site induction training has to be completed before any work can be undertaken.
- c. Service provider must comply to the ERWAT Permit to Work and Safe operation and maintenance procedure.
- d. All the relevant work permits and authorization must be obtained from ERWAT employees before any work can be undertaken.
- e. All work done and equipment supplied has to be in accordance with the applicable standards as listed in this document.
- f. No work shall be undertaken without an official order or written confirmation via e-mail in case of an emergency from the designated ERWAT representative.
- g. In the event that repairs and or materials are required that is not covered by this contract the service provider must inform ERWAT in the form of a detailed written report that includes a costed proposal to address the requirement.
- h. No equipment may be removed from site without written permission from the relevant plant manager.
- i. The installation of any equipment, new, repaired or refurbished shall include the putting back into operation, testing, special testing (if required) and adjustments on the equipment.
- j. A project and quality control plan will be required for any manufacturing, repairing, refurbishing and installation of equipment.
- k. In cases whereby the services of subcontractors are utilized, the service provider shall ensure that the repairs and or installation have been performed as per the original equipment manufacturer (OEM's) recommendation. The supplier shall remain accountable for the repairs and or installation of the equipment for the duration of the WARRANTY.
- l. All the required tools, consumables, testing facilities, and other requirements to perform the work as per the Contract shall be provided by the service provider.
- m. ERWAT reserves the right to hold service provider responsible for any equipment that will be damaged due to supplier's negligence or poor workmanship.
- n. The service provider shall be responsible for gathering any information regarding the maintenance servicing and repairs of equipment if the information is not available from ERWAT. This information must be shared with ERWAT in an electronic and hardcopy format.
- o. Only genuine parts from service provider will be accepted, except in the event that the relevant supplier confirms in writing that these are approved parts or components.
- p. If no parts are available, the service provider must submit a detailed written report that includes a costed proposal to address the requirement.
- q. All consumables will be included where required.
- r. Preferred service providers will be audited prior to the confirmation of the award of this contract in accordance to the evaluation included in this document as part of the functionality.

- s. Service providers are to note that ERWAT reserves the right to award this Contract to more than one Service Provider.
- t. The Service providers is expected to avail him/herself 24 Hours a day seven days a week, including Holidays for callouts in terms of emergency work required.
- u. The service provider must have contact person available 24 Hours, seven days a week with a response time of four (4) hours for a team to be on the required sites.
- v. ALL repair work shall carry a minimum (6 No.) calendar months' warranty from date of acceptance by the engineer or his/her appointed representative.
- w. ALL new work and newly supplied parts shall carry A MINIMUM twelve (12 No.) calendar months WARRANTY from date of acceptance by the ERWAT engineer.

#### **4. PROJECT MANAGEMENT AND CONTRACTING AUTHORITY**

The project will be managed by the Maintenance Department within Ekurhuleni Water Care Company.

#### **5. REPORTING REQUIREMENTS**

##### **5.1. The service provider shall provide the following reports:**

##### **5.1.1. Table 1: Reporting**

<b>Name of report</b>	<b>Content</b>	<b>Due date</b>
Inception report	Analysis of existing situation and work plan for the project	Upon receipt of a formal appointment the bidder to discuss the due date for the inception report with timelines as agreed to in the service level agreement that will carry over to the performance evaluation document for monitoring.
Monthly report	Monthly status report (technical and financial)	As agreed to in the finalised service level agreement and monitored at the monthly performance evaluation sessions.
Closeout and handover report	To be submitted on the last month of year 3.	As agreed to in the finalised service level agreement not exceeding 15 days from date of expiry date of the tender contract.

##### **5.2. Submission and approval of reports**

The inception report, monthly progress report and closeout report must be compiled and submitted to the departmental Project Manager within the set timelines as indicated in the service level agreement and or the performance evaluation document.

#### **6. SUBMISSION REQUIREMENTS**

ERWAT will establish a Bid Evaluation Committee (BEC) whose responsibility it is to make recommendations to the Bid Adjudication Committee (BAC). The Bid Evaluation Committee will short list and evaluate the bid document in accordance with the criteria below and make recommendations to the BAC.

- 1) Pre compliance evaluation to be done to determine the eligibility of a bidder to be recommended for the 2<sup>nd</sup> phase of evaluation-qualified bidders goes through for the functionality evaluation. The evaluation criteria are related to technical team skills functionality and the company functionality.
- 2) Bidders will be scored points for price and specific goals as stipulated in the bid document.
- 3) Calculate total Bid evaluation points, to two decimal places.
- 4) Rank Bid offers from the highest number of Bid evaluation points to the lowest.
- 5) Recommend Bidders with the highest number of Bid evaluation points for the award of the contract, unless there are compelling and justifiable reasons not to do so.

## 7. **EVALUATION CRITERIA**

### 7.1 **MANDATORY REQUIREMENTS**

<b>REQUIREMENTS</b>	<b>SUPPORTING DOCUMENTS</b>
Two (2) Diesel mechanic with trade test	Certified copy of trade test certificate
One electrician with trade test	Certified copy of trade test certificate
Company experience	Previous experience table

### **PREVIOUS EXPERIENCE**

Provide the following information on **relevant** previous experience in repairs or servicing of generators. The minimum of five reference letters must be submitted in relation to generators with a minimum rating of 500kVa. Kindly note that reference letters must be signed by the company on their respective letterhead for whom the service provider has rendered the services, must be contactable, give full details of name, surname, cell phone number, landline, e-mail address and physical business address.

**Failure to submit contactable references will render your bid invalid and will be disqualified.**

Kindly note that reference letters must be for individual contracts. More than one reference letter for one specific contract will be seen as one reference irrespective of the number of letters/certificates attached.

Only signed completion certificates and reference letters on the letterheads of the previous client/employer with a clear description of works, contact person, and contact details of the contact person will be accepted.

## **PRICING SCHEDULE**

### **PRICING INSTRUCTIONS:**

1. Bidders must price for the line items as set out below. This is a rate based tender and therefore no sub totals and totals will be applicable in the pricing schedule and orders will only be generated on an as and when required basis according to the rates.
2. Failure to complete the pricing schedule below in full will lead to disqualification.
3. The successful bidder will be required to submit a quote for the works required prior to being issued an official order and will be limited to the rates as set out herein.
4. Bidders are required to price for all direct and indirect cost relating to the execution of the contract including travelling expenses.
5. Bidders should note that the quantity stipulated in the table below is indicative and ERWAT reserves the right to increase/decrease the quantity as the need arises.
6. Evaluation for price scoring will be done by calculating the line items in the table below to an indicative sum to determine the highest scoring bidder as provided for in the PPPFA Regulation 2022.
7. Bidders should note that the indicative values should not be construed as a total or sub-total in any way and does not limit the award to this value. Purchase orders may be issued at the rates on an as and when required basis to not exceed the available budget for such throughout the contract period.
8. All prices to be inclusive of VAT.

## **SPECIAL CONDITIONS OF CONTRACT**

### **SUPPLY CHAIN MANAGEMENT**

---

**ERW2303/04: APPOINTMENT OF SERVICE PROVIDER/S FOR THE MAINTENANCE, SERVICING, REPAIRS AND RENTAL CONTRACT OF STANDBY GENERATORS ON ALL ERWAT SITES FOR A FIXED TERM PERIOD ON AN AS AND WHEN REQUIRED BASIS**

**CLOSING DATE: MONDAY, 21<sup>ST</sup> AUGUST 2023 AT 12:00 NOON**

**VALIDITY PERIOD: 120 DAYS FROM CLOSING DATE OF BID**

---

## **SPECIAL CONDITIONS OF CONTRACT**

### **1. ERWATS OBJECTIVES:**

The aim of this bid is to increase the service delivery level of the ERWAT to both its internal and external clients. This will be done by way of the following:

- Reduction in the number of quotation requests
- Improved turn-around times for obtaining purchase orders
- More focused approached to the Entity's core functions.

### **2. CONTRACT PERIOD:**

The contract will commence on the last signature date of the Service Level Agreement.

The appointment is for a Maximum period of thirty-six (36) months limited to three (3) financial periods as determined by the Municipal Finance Management Act (MFMA), on an as and when required basis.

The award is subject to a probation period of Twelve (12) months, whereby if your performance is not to the satisfaction of ERWAT, the contract will automatically lapse after the Twelve (12) months' probation. The contract will thus continue after the 12<sup>th</sup> month performance evaluation session if deemed to be to the satisfaction of ERWAT as indicated in the performance evaluation document.

If the tender is found to be unauthorised, fruitless and wasteful or irregular as informed through a formal investigation, internal and or external audit outcome, ERWAT reserves the right to cancel the tender with immediate effect and the bidder will have no claim to this effect whatsoever. The final terms of payment (where applicable) will be negotiated with the bidder at the time for final close out of the contract.

### **3. CONTRAT PRICE ADJUSTMENTS FOR LONG TERM CONTRACTS RUNNING OVER A ONE YEAR PERIOD (TERM CONTRACTS):**

This is a non-firm tender. Any price adjustment requests must be in writing and reach the office of the Supply Chain Management Unit at least one month before the envisaged price increase date and is usually due at the anniversary of this tender which is deemed to be the date of the last signatory on the Service Level Agreement.

Bidders will be required to submit supporting documentation in support of the increase value as motivation.

The price adjustments will be done in accordance with the following provisions.

#### **3.1. ALTERNATIVE CONTRACT PRICE ADJUSTMENT:**

BID PRICE(S) MUST BE FIXED FOR THE FIRST 12 MONTHS AFTER THE BASE MONTH WITH BASE MONTH BEING ONE MONTH PRIOR TO CLOSING OF BID

In the event that the CPI is deemed to not suffice based on external factors out of the bidders and ERWAT's control, bidders will be required to complete the following table using the contract price adjustment formula with supporting evidence to justify the increase lower or higher than the CPI % at the time of the anniversary of the bid.

IN THIS CATEGORY PRICE ESCALATIONS WILL ONLY BE CONSIDERED IN TERMS OF THE FOLLOWING FORMULA:

$$Pa = (1 - V)Pt \left( D1 \frac{R1t}{R1o} + D2 \frac{R2t}{R2o} + D3 \frac{R3t}{R3o} + D4 \frac{R4t}{R4o} \right) + VPt$$

Where:

- Pa = The new escalated price to be calculated.  
(1-V) Pt = 85% of the original bid price. **Note that Pt must always be the original bid price and not an escalated price.**  
D1, D2.. = Each factor of the bid price e.g. labour, transport, clothing, footwear, etc. The total of the various factors D1,D2...etc. must add up to 100%.  
R1t, R2t... = Index figure obtained from new index (depends on the number of factors used).  
R1o, R2o = Index figure at time of bidding.  
VPt = 15% of the original bid price. This portion of the bid price remains firm i.e. it is not subject to any price escalations.

FURNISH A BREAKDOWN OF YOUR PRICE IN TERMS OF ABOVE-MENTIONED FORMULA.  
THE TOTAL OF THE VARIOUS FACTORS MUST ADD UP TO 100%.

## PRICE ADJUSTMENTS

### A NON-FIRM PRICES SUBJECT TO ESCALATION

1. In cases of period contracts, non-firm prices will be adjusted (loaded) with the assessed contract price adjustments implicit in non-firm prices when calculating the comparative prices

In this category price escalations will only be considered in terms of the following formula:

$$Pa = (1 - V)Pt \left( D1 \frac{R1t}{R1o} + D2 \frac{R2t}{R2o} + D3 \frac{R3t}{R3o} + D4 \frac{R4t}{R4o} \right) + VPt$$

Where:

- Pa = The new escalated price to be calculated.  
 (1-V) Pt = 85% of the original bid price. Note that Pt must always be the original bid price and not an escalated price.  
 D1, D2.. = Each factor of the bid price e.g. labour, transport, clothing, footwear, etc. The total of the various factors D1,D2...etc. must add up to 100%.  
 R1t, R2t...= Index figure obtained from new index (depends on the number of factors used).  
 R1o, R2o = Index figure at time of bidding.  
 VPt = 15% of the original bid price. This portion of the bid price remains firm i.e. it is not subject to any price escalations.

3. The following index/indices must be used to calculate your bid price:

Index: USD as at date of closing of tender: \_\_\_\_\_

Index: ZAR as at date of closing of tender: \_\_\_\_\_

Index: EURO as at date of closing of tender: \_\_\_\_\_

Index: Other \_\_\_\_\_ as at date of closing of tender: \_\_\_\_\_

4. Furnish a breakdown of your price in terms of above-mentioned formula. The total of the various factors must add up to 100%.

FACTOR (D1, D2 etc. e.g., Labour, transport etc.)	PERCENTAGE OF BID PRICE

## B PRICES SUBJECT TO RATE OF EXCHANGE VARIATIONS

1. Please furnish full particulars of your financial institution, state the currencies used in the conversion of the prices of the items to South African currency, which portion of the price is subject to rate of exchange variations and the amounts remitted abroad.

**PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT  
REGULATIONS 2022**

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

**NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022**

**GENERAL CONDITIONS**

The following preference point systems are applicable to invitations to tender:

the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included);  
and  
the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

The applicable preference point system for this tender is the 90/10 preference point system and shall be awarded for:

- Price; and
- Specific Goals.

The maximum points for this tender are allocated as follows:

	<b>POINTS</b>
PRICE	<b>90</b>
SPECIFIC GOALS	<b>10</b>
<b>Total points for Price and SPECIFIC GOALS</b>	<b>100</b>

Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

**DEFINITIONS**

“tender” means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;

“price” means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;

“rand value” means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;

“tender for income-generating contracts” means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and

“the Act” means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

## **FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES**

### **POINTS AWARDED FOR PRICE**

#### **3.1.1 THE 90/10 PREFERENCE POINT SYSTEMS**

A maximum of 90 points is allocated for price on the following basis:

$$Ps = 90 \left( 1 - \frac{Pt - P_{min}}{P_{min}} \right)$$

Where

Ps = Points scored for price of tender under consideration  
Pt = Price of tender under consideration  
Pmin = Price of lowest acceptable tender

### **POINTS AWARDED FOR SPECIFIC GOALS**

In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

*Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)*

The specific goals allocated points in terms of this tender	Number of points allocated (90/10 system)	Number of points claimed (90/10 system) (To be completed by the tenderer)
EME or QSE 51% owned by women	2	
EME or QSE 51% owned by youth	2	
EME or QSE 51% owned by people with disabilities	2	
EME or QSE 51% owned by military veterans	2	
EME or QSE within the boundaries of Ekurhuleni Municipality	2	

from the companies and intellectual property commission (CIPC), the department of Military Veterans and or other supporting documents. All supporting evidence must be submitted in order to claim the preferential procurement points claimed. ERWAT reserves the right to verify the information submitted.

In the case of multi-parties (Joint ventures, consortiums, partnerships, etc.), allocation of points will be calculated by adding the individual parties in the JV, etc. ownership % together; divide the total by the number of parties in the respective joint ventures, consortiums, partnerships, etc. The average % will thus be the indicating factor for the number of points to be scored limited to the maximum available points.

e.g. Joint venture:

Party 1 = 51% EME/QSE owned by women

Party 2 = 100% EME/QSE owned by women

= **151%** / 2 parties in the JV = 75% and will score = 4 points

The above principle will apply to points 1, 2, 3 & 4 indicated in Table 1 above.

For point 5: The collective JV agreement's address, or the Lead JV partners' domicile Address will be utilized for scoring of points.

**CERTIFICATE OF INDEPENDENT BID DETERMINATION**

1. This Municipal Bidding Document (MBD) must form part of all bids<sup>1</sup> invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
  - a. take all reasonable steps to prevent such abuse;
  - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
  - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
4. This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

<sup>1</sup>

## **CERTIFICATE OF INDEPENDENT BID DETERMINATION**

I, the undersigned, in submitting the accompanying bid:

**BID ERW2303/04 APPOINTMENT OF SERVICE PROVIDER/S FOR THE MAINTENANCE, SERVICING, REPAIRS AND RENTAL CONTRACT OF STANDBY GENERATORS ON ALL ERWAT SITES FOR A FIXED TERM PERIOD ON AN AS AND WHEN REQUIRED BASIS**

in response to the invitation for the bid made by:

**EKURHULENI WATER CARE COMPANY (ERWAT)**

do hereby make the following statements that I certify to be true and complete in every respect:

I certify, on behalf of \_\_\_\_\_ (Name of Bidder) that:

1. I have read and I understand the contents of this Certificate;
2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;
3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign, the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:
  - (a) has been requested to submit a bid in response to this bid invitation;
  - (b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
  - (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium<sup>3</sup> will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
  - (a) prices;
  - (b) geographical area where product or service will be rendered (market allocation)
  - (c) methods, factors or formulas used to calculate prices;
  - (d) the intention or decision to submit or not to submit, a bid;
  - (e) the submission of a bid which does not meet the specifications and conditions of the bid; or
  - (f) bidding with the intention not to win the bid.
8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.

<sup>3</sup> Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No. 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No. 12 of 2004 or any other applicable legislation.

- 1.8 "Delivery" means delivery in compliance of the conditions of the contract or order.
- 1.9 "Delivery ex stock" means immediate delivery directly from stock actually on hand.
- 1.10 "Delivery into consignees store or to his site" means delivered and unloaded in the specified store or depot or on the specified site in compliance with the conditions of the contract or order, the supplier bearing all risks and charges involved until the goods are so delivered and a valid receipt is obtained.
- 1.11 "Dumping" occurs when a private enterprise abroad markets its goods on own initiative in the RSA at lower prices than that of the country of origin and which have the potential to harm the local industries in the RSA.
- 1.12 "Force majeure" means an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable. Such events may include, but is not restricted to, acts of the purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 1.13 "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of any bidder, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the bidder of the benefits of free and open competition.
- 1.14 "GCC" means the General Conditions of Contract.
- 1.15 "Goods" means all of the equipment, machinery, and/or other materials that the supplier is required to supply to the purchaser under the contract.
- 1.16 "Imported content" means that portion of the bidding price represented by the cost of components, parts or materials which have been or are still to be imported (whether by the

supplier or his subcontractors) and which costs are inclusive of the costs abroad, plus freight and other direct importation costs such as landing costs, dock dues, import duty, sales duty or other similar tax or duty at the South African place of entry as well as transportation and handling charges to the factory in the Republic where the goods covered by the bid will be manufactured.

- 1.17 "Local content" means that portion of the bidding price, which is not included in the imported content provided that local manufacture does take place.
- 1.18 "Manufacture" means the production of products in a factory using labour, materials, components and machinery and includes other related value-adding activities.
- 1.19 "Order" means an official written order issued for the supply of goods or works or the rendering of a service.
- 1.20 "Project site," where applicable, means the place indicated in bidding documents.
- 1.21 "Purchaser" means the organization purchasing the goods.
- 1.22 "Republic" means the Republic of South Africa.
- 1.23 "SCC" means the Special Conditions of Contract.
- 1.24 "Services" means those functional services ancillary to the supply of the goods, such as transportation and any other incidental services, such as installation, commissioning, provision of technical assistance, training, catering, gardening, security, maintenance and other such obligations of the supplier covered under the contract.
- 1.25 "Supplier" means the successful bidder who is awarded the contract to maintain and administer the required and specified service(s) to the State.
- 1.26 "Tort" means in breach of contract.
- 1.27 "Turnkey" means a procurement process where one service provider assumes total responsibility for all aspects of the project and delivers the full end product / service required by the contract.
- 1.28 "Written" or "in writing" means hand-written in ink or any form of electronic or mechanical writing.

## **2. Application**

- 2.1 These general conditions are applicable to all bids, contracts and orders including bids for functional and professional services (excluding professional services related to the building and construction industry), sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
- 2.2 Where applicable, special conditions of contract are also laid down to cover specific goods, services or works.
- 2.3 Where such special conditions of contract are in conflict with these general conditions, the special conditions shall apply.

## **3. General**

- 3.1 Unless otherwise indicated in the bidding documents, the purchaser shall not be liable for any expense incurred in the preparation and submission of a bid. Where applicable a non-refundable fee for documents may be charged.
- 3.2 Invitations to bid are usually published in locally distributed news media and on the municipality/municipal entity website.

#### **4. Standards**

- 4.1 The goods supplied shall conform to the standards mentioned in the bidding documents and specifications.

#### **5. Use of contract documents and information inspection**

- 5.1 The supplier shall not, without the purchaser's prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample, or information furnished by or on behalf of the purchaser in connection therewith, to any person other than a person employed by the supplier in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.
- 5.2 The supplier shall not, without the purchaser's prior written consent, make use of any document or information mentioned in GCC clause 5.1 except for purposes of performing the contract.
- 5.3 Any document, other than the contract itself mentioned in GCC clause 5.1 shall remain the property of the purchaser and shall be returned (all copies) to the purchaser on completion of the supplier's performance under the contract if so required by the purchaser.
- 5.4 The supplier shall permit the purchaser to inspect the supplier's records relating to the performance of the supplier and to have them audited by auditors appointed by the purchaser, if so required by the purchaser.

#### **6. Patent Rights**

- 6.1 The supplier shall indemnify the purchaser against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the goods or any part thereof by the purchaser.
- 6.2 When a supplier developed documentation / projects for the municipality/ municipal entity, the intellectual, copy and patent rights or ownership of such documents or projects will vest in the municipality / municipal entity.

#### **7. Performance security**

- 7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in SCC.
- 7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contract.
- 7.3 The performance security shall be denominated in the currency of the contract, or in a freely convertible currency acceptable to the purchaser and shall be in one of the following forms:
- a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents. Another form of acceptable to the purchaser; or
  - b) a cashiers' or certified cheque.
- 7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified.

## **8. Inspections, tests and analyses**

- 8.1 All pre-bidding testing will be for the account of the bidder.
- 8.2 If it is a bid condition that goods to be produced or services to be rendered should at any stage be subject to inspections, tests and analyses, the bidder or contractor's premises shall be open, at all reasonable hours, for inspection by a representative of the purchaser or organization acting on behalf of the purchaser.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payment arrangements with the testing authority concerned.
- 8.4 If the inspections, tests and analyses referred to in clauses 8.2 and 8.3 show the goods to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the goods or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such goods or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Goods and services which are referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be ejected.
- 8.7 Any contract goods may on or after delivery be inspected, tested or analysed and may be rejected if found not to comply with the requirements of the contract. Such rejected goods shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with goods, which do comply with the requirements of the contract. Failing such removal, the rejected goods shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute goods forthwith, the purchaser may, without giving the supplier further opportunity to substitute the rejected goods, purchase such goods as may be necessary at the expense of the supplier.
- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 22 of GCC.

## **9. Packing**

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing, case size weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
- 9.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, and in any subsequent instructions ordered by the purchaser.

## **10. Delivery and documents**

- 10.1 Delivery of the goods and arrangements for shipping and clearance obligations, shall be made by the supplier in accordance with the terms specified in the contract.

## **11. Insurance**

- 11.1 The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified.

## **12. Transportation**

- 12.1 Should a price other than an all-inclusive delivered price be required, this shall be specified.

## **13. Incidental Services**

- 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any:
- (a) Performance or supervision of on-site assembly and/or commissioning of the supplied goods;
  - (b) Furnishing of tools required for assembly and/or maintenance of the supplied goods;
  - (c) Furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
  - (d) Performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
  - (e) Training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.
- 13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

## **14. Spare parts**

- 14.1 As specified, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:
- (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
  - (b) in the event of termination of production of the spare parts:
    - (i) advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
    - (ii) following such termination, furnishing at no cost to the purchaser, the blueprints, drawings, and specifications of the spare parts, if requested.

## **15. Warranty**

- 15.1 The supplier warrants that the goods supplied under the contract is new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.
- 15.2 This warranty shall remain valid for twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise.

- 15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.
- 15.4 Upon receipt of such notice, the supplier shall, within the period specified and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the purchaser.
- 15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

**16. Payment**

- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfilment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in Rand unless otherwise stipulated.

**17. Prices**

- 17.1 Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized or in the purchaser's request for bid validity extension, as the case may be.

**18. Variation Orders**

- 18.1 In cases where the estimated value of the envisaged changes in purchase does not vary more than 15% of the total value of the original contract, the contractor may be instructed to deliver the goods or render the services as such. In cases of measurable quantities, the contractor may be approached to reduce the unit price, and such offers may be accepted provided that there is no escalation in price.

**19. Assignment**

- 19.1 The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

**20. Subcontracts**

- 20.1 The supplier shall notify the purchaser in writing of all subcontracts awarded under this contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

**21. Delays in the supplier's performance**

- 21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with

or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.

- 21.3 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the goods are required, or the supplier's services are not readily available.
- 21.4 Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to the imposition of penalties, pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 22.2 without the application of penalties.
- 21.5 Upon any delay beyond the delivery period in the case of a goods contract, the purchaser shall, without cancelling the contract, be entitled to purchase goods of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

## **22. Penalties**

- 22.1 Subject to GCC Clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC Clause 23.

## **23. Termination for default**

- 23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:
  - (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
  - (a) if the supplier fails to perform any other obligation(s) under the contract; or
  - (c) if the supplier, in the judgement of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.
- 23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner, as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.
- 23.3 Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.
- 23.4 If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the supplier as having no objection and proceed with the restriction.

23.5 Any restriction imposed on any person by the purchaser will, at the discretion of the purchaser, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the purchaser actively associated.

23.6 If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:

- (i) the name and address of the supplier and / or person restricted by the purchaser;
- (ii) the date of commencement of the restriction
- (iii) the period of restriction; and
- (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

23.7 If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

## **24. Anti- dumping and countervailing duties and rights**

24.1 When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favourable difference shall on demand be paid forthwith by the supplier to the purchaser or the purchaser may deduct such amounts from moneys (if any) which may otherwise be due to the supplier in regard to goods or services which he delivered or rendered, or is to deliver or render in terms of the contract or any other contract or any other amount which may be due to him.

## **25. Force Majeure**

25.1 Notwithstanding the provisions of GCC Clauses 22 and 23, the supplier shall not be liable for forfeiture of its performance security, damages, or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.

25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

## **26. Termination for insolvency**

26.1 The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the purchaser.

## **27. Settlement of Disputes**

- 27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.
- 27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.
- 27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.
- 27.4 Notwithstanding any reference to mediation and/or court proceedings herein,
- (a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and
  - (b) the purchaser shall pay the supplier any monies due the supplier for goods delivered and / or services rendered according to the prescripts of the contract.

## **28. Limitation of Liability**

- 28.1 Except in cases of criminal negligence or wilful misconduct, and in the case of infringement pursuant to Clause 6
- (a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and
  - (b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

## **29. Governing language**

- 29.1 The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

## **30. Applicable law**

- 30.1 The contract shall be interpreted in accordance with South African laws, unless otherwise specified.

## **31. Notices**

- 31.1 Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice.
- 31.2 The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice.

## **32. Taxes and duties**

- 32.1 A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.

- 32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.
- 32.3 No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid SARS must have certified that the tax matters of the preferred bidder are in order.
- 32.4 No contract shall be concluded with any bidder whose municipal rates and taxes and municipal services charges are in arrears.

**33. Transfer of contracts**

- 33.1 The contractor shall not abandon, transfer, cede assign or sublet a contract or part thereof without the written permission of the purchaser.

**34. Amendment of contracts**

- 34.1 No agreement to amend or vary a contract or order or the conditions, stipulations or provisions thereof shall be valid and of any force unless such agreement to amend or vary is entered into in writing and signed by the contracting parties. Any waiver of the requirement that the agreement to amend or vary shall be in writing, shall also be in writing.

**35. Prohibition of restrictive practices**

- 35.1 In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder(s) is / are or a contractor(s) was / were involved in collusive bidding.
- 35.2 If a bidder(s) or contractor(s) based on reasonable grounds or evidence obtained by the purchaser has / have engaged in the restrictive practice referred to above, the purchaser may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in section 59 of the Competition Act No 89 Of 1998.
- 35.3 If a bidder(s) or contractor(s) has / have been found guilty by the Competition Commission of the restrictive practice referred to above, the purchaser may, in addition and without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered, and / or terminate the contract in whole or part, and / or restrict the bidder(s) or contractor(s) from conducting business with the public sector for a period not exceeding ten (10) years and / or claim damages from the bidder(s) or contractor(s) concerned.

## **20. CONFIDENTIALITY**

- 20.1. It is recorded that the SERVICE PROVIDER, by virtue of his/her association with ERWAT, will become in possession of and will have access to confidential information belonging to ERWAT including, but without limiting the generality of the foregoing, the following matters:
- 20.1. The contractual and financial arrangements between ERWAT and other bidders;
  - 20.2. ERWAT's financial matters;
  - 20.3. All other matters, which relate to ERWAT's business and in respect of which information is not readily available in the ordinary course of business to a competitor.
- 20.2. Having regard to the facts recorded above, the SERVICE PROVIDER undertakes that in order to protect the proprietary interest of ERWAT in the confidential information-
- 20.1. They will not during the contract period or at any time thereafter, directly or indirectly, either use or disclose any of the confidential information, other than as may be required by their Contract with ERWAT or as may be required to comply with any law or to enforce service provider's rights in terms of this Contract;
  - 20.2. Any written or other Instructions, Drawings, Notes, Memoranda or Records which are made available to them or which come into their possession by any means whatsoever shall be deemed to be the property of ERWAT. Such property of ERWAT shall be surrendered to ERWAT on demand and in any event on the termination date of this Agreement and the SERVICE PROVIDER shall not retain any copies thereof or extracts there from.

## **21. PUBLICITY**

- 21.1. None of the parties shall issue any public document or make any press release relating to or arising out of this Agreement or its subject matter without obtaining the prior written approval of all other party to this Agreement, to the contents thereof and the manner of its presentation and publication; provided that such approval shall not be unreasonably withheld or delayed.

## **22. CESSION OF RIGHTS**

- 22.1. Save as otherwise expressly stipulated in this Agreement, this Agreement is personal to the parties;
- 22.2. No party may cede, delegate or assign any of its rights or obligations in terms of this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed.

## **23. WAIVER OF RIGHTS**

- 23.1 No party's partial exercise of, or failure to exercise or delay in exercising any right, power, privilege or remedy in terms of this Agreement shall be construed as a waiver by that party.
- 23.2 Such partial exercise or failure shall not operate so as to preclude that party from exercising its rights strictly in accordance with this Agreement, unless such party has expressly waived or otherwise foregone its ability to exercise such right, power, privilege or remedy (at all or in part or until after such period of delay) in terms of a written document signed by such party.
- 23.3 In the event of a party having concluded such a written document, it shall be strictly construed to form an integral part of this Agreement.

## **DRAFT PERFORMANCE EVALUATION MANAGEMENT**

The Municipal Finance Management Act (No. 56 of 2003) Section 116 (2) (d) determines that a Municipality must enter into a Performance Management System (PMS) with all service providers.

A PMS will be concluded with the appointed bidder and the costing for this project will run during the **2023/2024, 2024/2025 and 2025/2026** financial budget years.

The following document is a draft of the performance evaluation that will be conducted with the awarded bidders on a regular basis as determined in the Service Level Agreement. The final performance evaluation document will be finalised at SLA stage and signed together with the SLA.

The **Maintenance Department** will monitor performance on a monthly basis at scheduled meetings with the service provider where minutes of progress, activities, challenges, risks encountered, and planned work will be recorded. Evaluation will be based on progress, outputs, targets on key deliverables and compliance to the reporting timelines as specified. The draft Performance Evaluation Document is attached to this document for ease of reference and will be finalised at signing of the service level agreement.
