The following amendments are made in the tender document:

Bidders should take note that the following information provides additional clarification regarding the submission of Proof of Electrical Contracting Board (ECB) Registration:

All bidders registered before 2012 may provide proof of registration with the Electrical Contracting Board (ECB), however due to the changes made between the ECB and Department of Labour (DoL) in 2012, all contractors registered after 2012 may provide proof of registration with the Department of Labour. ERWAT will accept either the Electrical Contracting Board (ECB) or Department of Labour (DoL) registrations for the evaluation of this tender.

### **NOTE TO BIDDERS:**

1. Bidders must submit the support documents along with the bid document. Preferably have a separate file for support documents and include an index that details the location of each support document. ERWAT will not be held liable for any omissions including page omissions from the tender document.
2. The bid document should be sealed and deposited in the public tender box at our offices. No late submissions will be accepted.

### **SPECIAL REQUEST:**

1. Bidders are required to submit their priced Bill of Quantities (BOQ) in both hard copy (as part of the comprehensive tender document submission) and digital electronic format (Microsoft Excel file) to facilitate efficient evaluation. The hard copy BOQ submitted with the tender documents will take precedence over digital electronic submission. ***Submission of the digital format is not mandatory, and failure to provide it will not lead to disqualification.*** However, providing digital excel priced BOQ is highly encouraged for smoother processing.

Bidders shall submit their priced Bill of Quantities (BOQ) in Microsoft Excel format via email to [specialrequests@erwat.co.za](mailto:specialrequests@erwat.co.za). The subject line of the email must clearly state the project number, project description and the name of the bidding entity.
