

SUPPLY CHAIN MANAGEMENT
ADDENDUM NO.1

SUBJECT: ERW2505/03: APPOINTMENT OF SERVICE PROVIDER/S TO SUPPLY, DELIVER & INSTALLATION OF GEARBOXES & ACCESSORIES AT ERWAT WASTEWATER CARE WORKS ON 'AS & WHEN REQUIRED' BASIS FOR A PERIOD OF THIRTY -SIX (36) MONTHS.

DATE: 14 JULY 2026

SUBMISSION DEADLINE: With tender submission

TIME: 12H00

Bidders' attention is drawn to the amendments made in the document. Please complete and acknowledge receipt of addendum and send chantel.kearns@erwat.co.za or Phumzile.mdlalose@erwat.co.za or Inkosinathi.Nhlapho@erwat.co.za (Supply Chain Management).

The following amendments are made in the tender document:

1. Clause F.2.1 (CIDB Requirements) on page 7 of the tender documents, under item number 2, has been corrected to state that the lead partner must have a contractor grading designation of **7ME** (previously stated as 7 EP) class of construction work.
2. Additionally, Clause F.2.13 (Tender Closing) on page 11 of the tender document states that the submission closing date is **Friday, 15 August 2025**, which is inconsistent with the date reflected in the tender notice, tender document and advertisement. Please note that the correct closing date is **Tuesday, 4 August 2026**.

NOTE TO BIDDERS:

1. **Bidders should note that the correction referenced above does not require the striking through or physical replacement of the affected pages. The original pages must remain intact within the bid document.**
2. Bidders must submit the support documents along with the bid document. Preferably have a separate file for support documents and include an index that details the location of each support document. ERWAT will not be held liable for any omissions including page omissions from the tender document.
3. The bid document should be sealed and deposited in the public tender box at our offices. No late submissions will be accepted.
